Aura (Elite (Melee) - Infantry only), Headstrong, Individual, Very Inspiring Keywords: Dwarf										

Total Unit Strength: 21
 Total Core: 1995 (100%)

Total Units: 13

SPECIAL RULES AND SPELLS:

Aegis of the Elohi	The unit gains the <i>Iron Resolve</i> special rule. If it already has <i>Iron Resolve</i> , it increases the amount of damage regained each time <i>Iron Resolve</i> is used to two.
Aura	(x) refers to another special rule that the Aura grants to units around it. This unit and all Friendly Core units while within 6" of it have the (x) special rule. Note an Aura may have a further qualifier, in which case the Aura will only grant the special rule to the unit with that name or keyword in addition to the unit with the Aura itself.

Bane Chant	Spell: Range 12", Friendly, CC - If one or more hits are scored, for the rest of the turn the unit gains <i>Crushing Strength</i> (+1). This effect only applies once - multiple castings on the same target have no additional effect.
Blade of the Beast Slayer	The unit gains the <i>Crushing Strength</i> (+2 - vs. Large Infantry, Monstrous Infantry, Large Cavalry, Monsters and Titans) special rule.
Brutal	When testing the Nerve of an enemy unit in Melee with one or more of your units with this rule, add the highest <i>Brutal</i> (n) value to the total rolled. If no value is specified, the unit has <i>Brutal</i> (1). If an enemy unit is subject to both the <i>Brutal</i> and <i>Dread</i> special rules, the attacking player must choose which to use.
Crushing Strength	All hits caused by Melee attacks from this unit have a +(n) modifier when rolling to damage.
Headstrong	If a unit with this rule begins its turn Wavering, roll a die before declaring a Movement order (including Halt) for this unit. On a 3+ it shrugs off the effects of Wavering and is Disordered instead. Adjust any counters on the unit as required.
Individual	See page 34 (page 30 in gamers edition)
Inspiring	If this unit, or any Friendly Core unit within 6" of this unit, suffers a Rout result, the opponent must re-roll that Nerve test. The second result stands. Note that a unit may also have a qualifier for its <i>Inspiring</i> rule. In this case, the unit will only Inspire itself and the unit(s) specified.
Iron Resolve	If this unit is Steady as a result of a Nerve test, it regains one point of damage previous suffered.
Nimble	The unit can make a single extra pivot of up to 90 degrees around its centre while executing any Movement order, including a Charge. It cannot make this extra pivot when ordered to Halt.
Phalanx	Units that Charge this unit's front cannot use the <i>Thunderous Charge</i> special rule. In addition, Cavalry, Large Cavalry and units with the <i>Fly</i> special rule that make an unhindered Charge against this unit's front suffer a -1 to hit modifier in the subsequent Melee.
Piercing	All hits caused by Ranged attacks with this rule from this unit have a +(n) modifier when rolling to damage.
Radiance of Life	In the Movement phase, after this unit has completed its order, this unit and all Friendly Core units within 6" of this unit immediately remove one point of damage previously suffered. Units can only be affected by a single source of Radiance of Life per Turn.
Reload	The unit can only make ranged attacks if it received a Halt order in its previous Movement phase.
Steady Aim	The unit does not suffer from the -1 Moving modifier when making Ranged attacks.
Stoneshapers	If this unit has taken the Bane Chant option it may, after casting Surge on a Friendly Core Earthbound unit, immediately cast Bane Chant against the same target.
Strider	This unit's Charge is not Hindered when charging through or ending its Charge on, Difficult Terrain or Obstacles.
Throwing Mastiff	The unit is equipped with a single use ranged attack with the following profile - Throwing Mastiff: 12", Att: 8, Piercing (1). This attack always hits on a 4+. Once used, the unit's Throwing Mastiff is destroyed and cannot be used again for the remainder of the game.
Thunderous Charge	All Melee hits inflicted by this unit have a +(n) modifier when rolling to damage. This bonus is in addition to the unit's <i>Crushing Strength</i> (if any). However, the unit loses this bonus when Disordered and reduces this bonus by one when Hindered (to a minimum of zero).
Very Inspiring	This is the same as the <i>Inspiring</i> special rule, except that it has a range of 9". Any rule that affects <i>Inspiring</i> also affects <i>Very Inspiring</i> Inspiring: If this unit, or any Friendly Core unit within 6" of this unit, suffers a Rout result, the opponent must re-roll that Nerve test. The second result stands. Note that a unit may also have a qualifier for its <i>Inspiring</i> rule. In this case, the unit will only Inspire itself and the unit(s) specified.
Wild Charge	Models with this special rule may add (n) to their charge range. This is added after Sp is doubled. For instance, a unit with a Sp stat of 4 and <i>Wild Charge</i> (2) can Charge units up to 10" away. In some instances, the (n) value may be a variable die roll (e.g. <i>Wild Charge</i> (D3)). In these cases, before issuing a Movement order to this unit, roll a D3. If this unit is then issued a Charge order, it may add the result in inches to its total Charge range.
